Adult & Career Education Center

A MESSAGE FROM SUPERINTENDENT MIKE MCLAUGHLIN, ED.D.

Welcome to the 2024-25 school year! San Leandro Adult & Career Education Center is proud to announce the return of our popular Nurse Assistant program and the launch of our Vocational Nurse program. Find application information on page 5.

We also continue to meet the needs of our students by providing online options for earning a high school diploma or preparing to take the GED. GED Prep. classes are offered in Spanish and English.

Most of our Career Technical Education classes are offered online making it easier for adults to study from home. To meet the increased demand from our community, we have once again expanded our popular English as a Second Language (ESL) program. Onsite ESL classes are offered mornings, afternoons, and evenings to provide students with options that work with their schedules. Our Citizenship Preparation class will continue to be offered on Saturday mornings.

Classes fill quickly, so register early.

Have a great year!
